5. Applicant's Statement	
<ul style="list-style-type: none"> Falsification of any statement is a misdemeanor under § 26-124 of the NYC Administrative Building Code and is punishable by a fine or imprisonment, or both. It is unlawful to give to a city employee, or for a city employee to accept, any benefit, monetary or otherwise, either as a gratuity for properly performing the job or in exchange for special consideration. Violation is punishable by imprisonment or fine or both. 	

5A. Applicant's Statement of Responsibility (10 F) • As a licensed Professional Engineer or Registered Architect representing the owner or contractor, I hereby state that I designed the foundation for the above crane(s) and will be on-site to inspect the said equipment and support before the commencement of work. All inspection and test reports will be signed by me and filed with the Department promptly.	5B. Applicant's Statment of Crane Foundation Inspection (10E) As a licensed Professional Engineer or Registered Architect representing the owner or contractor, I hereby state that I have completed the foundation inspection on _____ and found that it conforms with all approved drawings (see note). I also found no hazardous condition existed within the scope of this examination.
---	---

Note: 1) If the field condition or actual setup differs from approved plans and the structural integrity of the foundation cannot be readily proven in the field, applicant may not sign off 10E until amendment on the alternate founding design is first submitted to and approved by Cranes & Derricks Division.
 2) For other minor deviations to approved plans, applicants may amend founding design in the field and leave 10E on site. The amended setup must be submitted with 10E to the Cranes and Derricks Division
